Sitting in the backyard
In the broad daylight
And everything around me
Seems to spin once or twice
These were days when
I acted like a fool
These were days when
I brake every rule
Tell me how long
Are you wasting my time going mind to mind
Tell me how long
Are you wasting my time going mind to mind
Little Jack Corner
Sitting in a corner
Looks real sad
'Cause everything around him
really makes him mad
These were days when
He acted like a fool
These were days when
He broke every rule
Tell me how long
Are you wasting my time going mind to mind
Tell me how long
Are you wasting my time going mind to mind
Walking the street
At a cool, cool night
Looking around it's awful bright
I never had thought I could be so strong
I'm shaking just like I've never seen the light
Tell me how long
Are you wasting my time going mind to mind
Tell me how long
Are you wasting my time going mind to mind
Well this all
Standing on the shoulders of the jolly green giant
"Is that my son up there?" my mom said
"Is that grandson up there?" my grandmama said
Yeah it's me mom,
Taking my time
Yeah it's me mom,
Riding the ride

Look at me now,
I'm being called
Look at me now,
Why don't you tell me, tell me
Tell me how long
Are you wasting my time going mind to mind
Tell me how long
Are you wasting my time going mind to mind, yeah
ohhh, uhhh, ohhh
