So, fearless and blind
Something cruel about my world

Often relaxing but maybe
I'm reacting in my world
Gazing so loosely, so often
I'm loosing in my world

And all I've got is down on the ground, yeah
Running through the fields of nowhere
Where nowhere takes me to nowhere land

I'll be on my way when I know
Their's something left for me on the ground, yeah
I'll be on my way when I know
There's something left for me on the ground, yeah

So, fearless and blind
Something cruel about my world

Often relaxing but maybe
I'm reacting in my world
Gazing so loosely, so often
I'm loosing in my world

All I've got is down on the ground, yeah
Running through the fields of nowhere
Where nowhere takes me to nowhere land

I'll be on my way when I know
There's something left for me on the ground, yeah
I'll be on my way when I know
Their's something left for me on the ground, yeah

So long to you
See you there
Long, long ago
Where we used to roam and

I want to see you
I want to be you
I want to be in you

Long, long ago
Where we used to roam and

Yeah
Running through the fields of nowhere
Where nowhere takes me to nowhere land

I'll be on my way when I know
Their's something left for me on the ground, yeah
I'll be on my way when I know
There's something left for me on the ground, yeah

I'll be on my way when I know
Their's something left for me on the ground, yeah
I'll be on my way when I know
There's someone, someone

I'll be on my way
When I know there's hope
