I feel it around me  
I feel like a raindrop  
I feel, we're all washed out, burnt out  
I think, it's a shame

I feel like we're dyin' on the needs  
Of the people today  
I feel like screamin' at the world  
I know it's a game called

Insecurity  
Insecure  
Insecurity  
Insecure

I feel like a racing the wind  
I feel like I'm flying  
I feel that the people that surround me  
Have all been blinded

I think, I'll reach down in my soul  
And pull up what's hidin'  
It's these things inside of me  
I share them with you, 'cause

Insecurity  
Insecure  
Insecurity  
Insecure

And as I tear down my bad habits  
And you grab it  
And you throw it out to see if someone tries it  
And they like it

And we run together to figure it out  
People always standin'  
And we're starin' at what we thought  
Was our best game

I feel it around me  
I feel like a raindrop

I feel, we're all washed out burnt out  
I think it's a shame

I feel like, we're dyin' on the needs  
Of the people today  
I feel like screamin' at the world  
I know it's a game called

Insecurity  
Insecure  
Insecurity  
Insecure

Insecurity  
Insecure  
Insecurity  
Insecure

And as I tear down my bad habits  
And you grab them  
And you throw it out to see  
If it is you
