Look's like a blue  
blue day

Only wish that I could say  
That this is rain in my eyes.  
I only wish I could find the words  
To say just how I feel

To say just how I feel inside.  
So please  
listen close  
'cause each word's a beat of my heart.  
Someway  
somehow  
I'll find  
How to say what's on my mind  
Till then you'll have to read my eyes.  
Looks like a blue day  
Only wish that I could say  
That this is rain in my eyes.  
So please  
listen close  
'cause each word's a beat of my heart.  
Each word's a beat of my heart

Each word's a beat of my heart.
