And I really wanna sex your body(x3)
And I really wanna(x2)
And I really wanna sex your body(x2)(tonight)
s.e.x your b.o.d.y

I knew from the moment that we met
that I'd be the one who'd get you wet
cause I can see passion in your eyes
and baby the eyes they never lie

and you be callin me, callin me, callin me, tellin me that
your home alone
(oh you know I'm on my way)
And you be pagin me, pagin me, pagin me whenever
you can't reach me by phone
(oh each and every day)
You be tellin me, tellin me, tellin me that you're nasty
and you got a lil freaky side
(so I jump right in my car)
You got me feenin, I'm feenin, I'm feenin girl, for your
body. You can run but you can't hide
(cause I wanna be where you are)

And I really wanna sex your body(x3)
And I really wanna(x2)
And I really wanna sex your body(x2)
tonight s.e.x. your b.o.d.y
(repeat)

Now I hope you got an open mind
cause baby my love is one of a kind(one of a kind)
do what you got to do to make it right
cause baby it's gonna be a long night

And you be callin me, callin me, callin me, tellin me
that your home alone
(and you know i'm on my way)
And you be pagin me, pagin me, pagin me, whenever
you can't reach me by phone
(each and every day)
You be tellin me, tellin me, tellin me that you're nasty

and you got a lil freaky side
(so I jump right in my car)
You got me feenin, I'm feenin, I'm feenin girl, for your
body you can run but you can't hide
(cause I wanna be where you are)

And I really wanna sex your body(x3)
And I really wanna(x2)
And I really wanna sex your body(x2)
tonight
(repeat)
