(Levay, Prager)

Baby, oh baby  
Don't look at me this way  
You don't know what you do  
You make me dizzy  
With every word you say  
You don't know what you do

Ooh, what a night  
Ooh, what a night  
You and me together  
Ooh, what a night  
Ooh, what a night  
It should last forever

Baby, oh baby  
Oh please, don't touch my hand  
You don't know what you do  
And when you kissed me  
It's more than I can't stand  
You don't know what you do

Ooh, what a night  
Ooh, what a night  
You and me together  
Ooh, what a night  
Ooh, what a night  
It should last forever

(Ooh, what a night) ooh, what a night  
(Ooh, what a night) ooh, what a night  
(You and me together) you and me together  
(Ooh, what a night) ooh, what a night  
(Ooh, what a night) ooh, what a night  
(It should last forever)

(Ooh-ooh-ooh)  
There's nothing to it  
I don't try to lie  
(doo doo doo doo)

I wanna give you all my loving  
Honey, I'm gonna lift you high

Ooh, what a night  
Ooh, what a night  
You and me together  
Ooh, what a night  
Ooh, what a night  
It should last forever

(Ooh, what a night) ooh, what a night  
(Ooh, what a night) ooh, what a night  
(You and me together)  
(Ooh, what a night) ooh, what a night  
(Ooh, what a night) ooh, what a night  
(It should last forever)

Doo doo doo  
Doo
