The falling leaves drift by the window  
The autumn leaves of red and gold  
I see your lips, the summer kisses  
The sun-burned hands I used To hold.  
Chorus  
Since you went away, the days grow long  
And soon I'll hear old winter's song  
But I miss you most of all, my darling  
When autumn leaves start to fall  
Spoke  
The falling leaves drift by the window  
The autumn leaves of red and gold  
Mais la vie spare ceux qui s'aiment  
Tout doucement sans faire du bruit  
But I miss you most of all, my darling  
When autumn leaves start to fall  
When autumn leaves start to fall
