Round and round and up and down through the rain
and snow
Thunder clouds can bring you down, bitter and so cold
Lightning strikes and thunderstorms, when it rains it
pours
Sunny days will come again as the world will turn

Birds are singing, skies are blue, flowers are in bloom
Take this time and look around before it gone too soon
Here one day and gone the next, the setting of the sun
The turning, turning hands of time, stopping for no one

CHORUS

Like a carousel goes round and round
We are always up and down
Turning never slowing down
Our carousel goes round and round

We say hello and goodbye, sure as day and night
What goes around will come around, try and hold on
tight
Karma sets your destiny, could be bad or good
Life is what you make of it, it all depends on you

CHORUS

Like a carousel goes round and round
We are always up and down
Turning never slowing down
Our carousel goes round and round

Life goes on, round and round. As we spin on our
Carousel, carousel. Life is like a carousel
