Here we are,
the two of us together.
I'm feeling in my heart,
we can change the world forever.
If you want me to.
I'll be there for you.
Just remember.

Deep in my heart,
a valley so true.
I wanna know where to start,
And baby.
Deep in my heart,
there are miracles too.
Just let me know how to start.
When deep in your heart

Like a falling star,
that shines in stormy weathers.
I'll be where you are.
As long as we're together.
I will trust in you.
I know your dreams are blue.
Just remember.

Deep in my heart,
a valley so true.
I wanna know where to start,
And baby.
Deep in my heart it's true,
I will follow you.
Deep in my heart it's true,
I will be there for you.
Deep in my heart it's true,
I will follow you.
Deep in my heart it's true.
Deep in my heart,
a valley so true.
I wanna know where to start.
Deep in my heart
