(Fred Tackett)

Oh I wanna find a river
And take it down to the sea
And drift on by so slowly
Oh if you think about me
You know you could help me through
You know I would return in kind

Oh I wanna find a city
That's open wide
That's open all night
Where I could not hide
>From it's burnin' light
So warm, so bright
Let me run so free and easily
Shelter me with it's sweet mysteries
Oh Lord, Oh Lord, Oh Lord
Oh I wanna find my baby
But I do not know where he lies
And I do not know if he cries
Or laughs at me
Oh Lord, Oh Lord, Oh Lord
I wanna find my baby

Oh I wanna find a river
