CHORUS:

Say goodbye to yesterday
Cause now the time has come
To go our seperate ways

I'll try to carry on
Though memories are strong
In time they'll slowly fade

Life will never be the same
The way it was before
The way it use to be
Now eveything has changed
And all that I can say
Is good bye to yesterday

Falling on my knees
In shock and disbelief
How it came to this
No one could ever guess
The pain and tears
I've shed, could never turn things back

CHORUS

One day I'll forgive
But I'll will not forget
What you did to me
So much you will regret
It's hard to let it go
But I'll keep moving on

CHORUS
