There are no words I can say to you  
To show you just how I feel  
There's not a day I don't think of you  
Why did it have to end this way?

And now you're gone  
Feel so alone  
There's an emptiness inside as life goes on  
Wish that I had more time  
One more chance to hold you tight and say goodbye

I'm so hollow, so hollow  
Hollow in my heart, hollow in my soul  
Cause I'm so hollow with sorrow  
Sorrow in my heart, sorrow in my soul  
Hollow in my heart cause now you're gone

The rest of my life will be incomplete  
A hole in my heart remains  
When you went away things forever changed  
A part of me died with you that day
