I remember the afternoon
When you left me alone and blue
Although there were some times i felt you were untrue
I could tell by the look in your eyes
You were telling me one of your lies
Nothing's ever the same and you treat me oh so cruel

Chorus

I can't cry, I can't cry, i can't cry
Couldn't go back to how it was(back to how it was)
And you walked off leaving me alone(leaving me
alone)
So many days hanging to love
When it was over long ago(over long ago)
Now I must stop loving you again

Tell me what do you want me to do
Just sit and cry here alone like a fool
When you come home and i'm all alone again

Chorus

There's no hope in hanging on(there's no hope in)
hanging on(hanging on when)
When there's nothing left for me(nothing left for me
and)
I won't show(i won't show the) the pain in my broken
heart
Silently(silently) I'll leave the pain and the hurt all
behind

I can't cry, I can't cry, i can't cry
Couldn't go back to how it was(back to how it was)
And you walked off leaving me alone(leaving me
alone)
I can't cry, I can't cry, i can't cry
When it was over long ago(over long ago)
Now I must stop loving you again
