Never thought you'd go
Oohh my love
You told me you would always be mine
Sometimes looking back
I see how happy we were back in time
Always said you'd be there
Where could you go?
You were my my number one
I'll wait all my life
I'm gonna love you til the day I die

~chorus 1~

All this time waiting for my love to come back
All this time wondering why my love had to go
If you love me tell me I just wanna know
Don't let me cry without you in my life

Thought I had you more each passing day
Such a mess since you went away
See you by my side
I'm gonna love you til the end of time
Always thought you'd be mine
To have and to hold
Said you'd never let me go
Oh love of my life
I'm gonna love you til the day I die

~chorus 2~

All this time waiting for my love to come back
All this time wondering why my love had to go
Someday you'll be with me
Oh I love you so
You'll hold me tight and never say goodbye

(recited)

Always said you'd be there
Where could you go
You were my my number one
I'll wait all my life
I'm gonna love you till the day I die

~chorus 1~
