(trish)

Look into my eyes
Why are you blind to what is clear
All that I need simple to see
But you turn cold and I turn weak

(asia 4)

Words in the night don't come out right
Now that you think I'm so unkind
I don't know when, how it began
But I know I can't stand this pain

(trish and asia 4)

Cause if you only knew (only knew), for you, all that I'd
do
I'd give it all away (all away), to have you in my life
always

(trish)

Lost feeling unsure
Everything flashes in a blur
Trying to smile, so in denial
All of this time will be worthwhile

(asia 4)

Passing the time, nothing seems right
I walk around with my head up high
Hanging with friends, time and again
Waiting for all of this to end

(trish and asia 4)

Cause if you only knew (if you only knew), for you, all
that I'd do
I'd give it all away (give it all away), to have you in my
life always
but if you only knew

(asia 4)

Sweetie,
It so hard to express how I feel
I could never find the words to say

How much I love you one day I hope you see

(trish and asia 4)

Darling I wish I could erase, this pain I have just won't
go away

Cause if you only knew (if you only knew), for you, all
that I'd do

I'd give it all away (all away), to have you in my life
always

But if you only knew

(asia 4)

If you only knew,
If you only knew,
If you only knew..

(trish)

If you only knew..
