Chorus*

If you wanna be my love (I wanna be your star)
Boy come on and let me just know you need me too
Come on and show me that you really want me
Yeah we'll be so happy together yeah yeah
On and on i'll give you all my love

I know you tried to hide the way you feel
But you're not fooling me
I know you try to act tough
To show your friends that you're not soft
But you're only fooling yourself
There's denying that this love is true
The way I feel around you
I know you're feeling it, too
So come and tell me the truth there's not
There's nothing left here to say

Chorus

I can see you staring back at me
But yet you wait to move
It's so simple you see
I'll give you all that you need

If you wanna be my love (I wanna be your star)
Boy come on and let me just know you need me too
Come on and show me that you really want me
Yeah we'll be so happy together yeah yeah

On and on I'll give you my love
On and on I'll show you my love
But if you wanna be the one in my life
And if you wanna be the sun in my sky
Boy you gotta be the to let me know
And show if it's me you wanna hold
So what are you feeling in your heart
Cuz baby I wanna be your star

*Chorus
