Baby you know that you are still the only one for me.  
Baby it's been so long but I still recall  
all the things you said when you were close to me.  
you said please don't go. We were so much in love.  
Baby you know that you are still the only one for me.  
Baby it's been so long and I've been missing you.  
You're always on my mind.  
I know that you will find your way back to me.

Chorus

In my fantasy your body's lying next to mine.  
Baby in my dreams we're flying through the night.  
And my memories they show you're by my side.  
In my fantasy you're holding me oh so tight.

Repeat Chorus

Baby you whisper words so softly through my  
memories.  
Baby I still can hear your heartbeat loud and clear.  
It's making me so sad.  
I try to bring him back in your arms again.

Repeat Chorus 2x
