This is my destiny, I will never find love  
So let me hold on a while, before I'm all on my own.  
Go on keep fooling me, I don't want to let go.  
No matter what comes our way  
I will always hold on.

All of my life, you will never be mine.

So lie to me and say that you'll never leave,  
I promise that I'll believe.  
Don't wanna be all alone.  
So lie to me and say what I want to hear  
As long as I have you near.  
I know I can carry on.

You captured the heart of me, I don't want to be free.  
Just wrapped in your arms at night, is all that I want to feel.  
Go on keep fooling me, I don't want to let go.  
No matter what comes our way  
I will always hold on.

All of my life, you will never be mine.

So lie to me and say that you'll never leave,  
I promise that I'll believe.  
Don't wanna be all alone.  
So lie to me and say what I want to hear  
As long as I have you near.  
I know I can carry on.

All of my life, you will never be mine. [Never be mine..]

So lie to me and say that you'll never leave,  
I promise that I'll believe.  
Don't wanna be all alone.  
So lie to me and say what I want to hear  
As long as I have you near.  
I know I can carry on.

Lie to me.. So lie to me.. Lie to me.. Lie to me.. So lie to

me
