There's no one that knows me quite as well
Accepting me for who I am
With all my flaws you've always been my friend
So grateful time and time again

Chorus:

'Cause like no other can
You truly understand
It's the little things that show you care
And like no other friend
so rare and genuine
You're the best and no one else compares

We've had our share of sorrows and our laughs
Looking back without you I'd be lost
Always there when others seem to disappear
The one I trust with secrets and my tears

(Repeat Chorus)

You've been my inspiration all along
You've helped define the way I am
And I'll be there for you until the end
So grateful time and time again

(Repeat Chorus)
