When, there's nowhere left to turn.  
I, get lost inside my mind.  
Where my thoughts start running wild, running wild.  
Now, I'm living in the dark.  
Where's the light I'm so afraid.  
Here in solitude I've lost my way.

Chorus

In the middle of nowhere there's nowhere left for me to  
hide  
Is there anybody out there,  
to help me through this lonely time.  
I'm all alone. Just empty roads.  
In the middle of nowhere  
I'm on my own

Hope is nowhere to be found  
I can't find my way back home.  
Slowly drifting far away, away.

Chorus

Desperately, feeling weak,  
can't you see I'm calling you  
to come and rescue me.

Chorus

In the middle of nowhere  
I'm on my own
