Original by: Standard Nursery Rhyme

Life is flying by, the days and weeks
Where did the time go by? The months and years
So let's stop wasting time. Let's laugh and cheer
'Cause life is way too short, have fun and live

The sun is shining in the sky the stars are shining
bright
The moon is full and flying high, and I'll see you tonight

CHORUS

The more we get together, together, together
The more we get together, the happier we'll be
'Cause your friends are my friends, and my friends are
your friends
The more we get together, the happier we'll be

Our witty little chats and friend's soirées
I'm having such a blast, wish time could wait
'Cause nothing ever lasts unless you can take
The time to look around, appreciate

And I will see you soon, 'cause I just wanna be with you
And I will see you soon, 'cause I just wanna be with you
