When I'm with you,
I feel naked and sacred.
And this world can be so cold.
I wanna hold you naked
and sacred till I grow old.

What does love mean?
Can love last?
I ask myself these questions,
haunted by the past.
I've walked these city streets.
I've known victories and defeat.
Searching, hoping, just barely coping.
Baby I wanna be good for you.
I wanna be true.
Don't know how I'd live with myself,
if I ever hurt you.

When I'm with you,
I feel naked and sacred.
And this world can be so cold.
I wanna hold you naked
and sacred till I grow old.

Since I met you.
My life's changed.
I feel like a bird,
that's been let out of it's cage.
Baby I wanna be good for you,
I wanna be true.
Don't know how I'd live with myself,
if I ever hurt you.

When I'm with you,
I feel naked and sacred.
And this world can be so cold.
I wanna hold you naked
and sacred till I grow old.

Naked and sacred. Naked and

Your hands feeling me.
Your love's feeling me.
When you go away...
Your heart's still in me

Naked and sacred
And this world can be so cold.
I wanna hold you naked
and sacred till I grow old.

When I'm with you,
I feel naked and sacred.
Next to your heart I'll hold.
I wanna hold you naked
and sacred till I grow old.

When I'm with you,
I feel naked and sacred.
And this world can be so cold.
I wanna hold you naked
and sacred till I grow old
