Girl:

Faraway, a distant star.

The one I love, love with all my heart.

I'll be here holding back my tears.

Though days grow long, my love is strong.

Guy:

How you shine in all my dreams.

I see my life with just you and me.

We'll remain till the very end.

Both:

Our love will never change.

Chorus

I'll never let go.

You're the only one that I hold so close to my heart.

Lie by your side, underneath the skies, gazing in your eyes for always.

All day in your arms is where I belong.

I'll be in the end with you, once again.

Girl:

Bittersweet our memories.

I think of you so tenderly.

You'll come home surely this I know.

Inside I feel that you are near.

Guy:

Every night I think of you.

You make me smile when I'm sad and blue.

Till that day when you're here again.

Both:

Our love will never change.

I'll never let go.

You're the only one that I hold so close to my heart.
Lye by your side, underneath the skies, gazing in your

Ill be in the end with you, once again.

Ill be in the end with you, once again.
