Listen to the rhythm of the falling rain.
Telling me just what a fool I've been.
I wish that it would go and let me cry in vain.
And let me be alone again.
The only boy I ever loved has gone away,
Looking for a brand new start.
But little does he know that when he left that day,
Along with him he took my heart.

CHORUS

Rain please tell me now does that seem fair.
For him to steal my heart away when he don't care,
I can't love another when my hearts somewhere
faraway

Listen to the rhythm of the falling rain.
Telling me just what a fool I've been.
I wish that it would go and let me cry in vain.
And let me be alone again.
The only boy I cared about has gone away,
Looking for a brand new start.
But little does he know that when he left that day,
Along with him he took my heart.

CHORUS

Rain wont you tell him that I love him so,
And please ask the sun to set his heart aglow.
Rain in his heart and let the love we know start to grow.

Oh listen to the falling rain.
Ba da ba da ba da ba da ooh.
Oh rhythm of the falling rain.
Ba da ba da ba da ba da ooh.
