Tears of pain
Will fall
But won't wash away
Silent eyes and no one knows why

Falling sands of time
Falls like tears you cry
Each day wandering 'round
Still no love to be found

Silent eyes and no one knows why

There'll come a day when kids will play
And one day soon when spring blossoms and blooms
There'll come a day when sadness fades away
And one day soon laughter will return

Oh, your smile so pure and bright
Oh, your smile and eyes, so divine
