"Shade Of Blue"

From the sky to the sea
There's no happiness for me
All my life, all I see only painful memories
Sad goodbyes, callous words
Left me shy and insecure
Scars and tears through the years
Wish that I could disappear

CHORUS

Everything's shades of blue
No hope no use
Dark as the sky at midnight I cry
Rivers and seas, oceans so deep
Everything's cold as ice
So numb inside, pale as the moon
Lifeless and gloomy
Sadness in hazy shades of blue

Thunder clouds all around casting shadows of doubt
Darkest hues of black and blue
Bruises left still so confused
Undertows, indigos dreams of losing all control
In a life with no sunrises only sunsets and regrets
