Verse 1

Dreaming, all day long I'm dreaming
Of my love, such a young and sweet thing
Some day, I will be your everything
Loving you, holding you, kissing you some day

Verse 2

Feeling such a wondrous feeling
I love you, and I know you will too
One day I will be in paradise
Loving you, holding you, kissing you one day, some way

Chorus

You came in like a breeze on a summer's day
And in a glance you took my breath away, away
I knew I wanna be with you everyday, some way
I dream of you, holding you, and you love me too

Verse 3

Sweet dreams, to the one that I love
My angel, from the heavens above
Someday, I will be your everything
Loving you, holding you, kissing you someday, some way

Repeat all starting at Verse 2
