Feat. Christine Thuy Huong

I keep thinking of him,
Every night I can see.
When he's smiling so bright,
I know it's just for me.

All friends tell me this.
I should say how I feel.
That he's perfect for me
And this love is for real.

(Pre-Chorus)
This picture in my mind,
Of him and I combined in
My dreams he'll always remain.

(Chorus)
I'm such a girl and I live in my world
With this guy that I imagine will one
Day be mine and I know.
I'm such a girl and I hope he'll come
Around and convey how he feels
And I'm wishing someday that he'll see.
I'm such a girl...

If I give him this note.
Speaking straight from my heart.
Could this give me a chance is
This where our love will start.

(Pre-Chorus)
This picture in my mind,
Of him and I combined in
My dreams he'll always remain.

(Chorus)
I'm such a girl and I live in my world
With this guy that I imagine will one
Day be mine and I know.
I'm such a girl and I hope he'll come
Around and convey how he feels

And I'm wishing someday that he'll see.
I'm such a girl...

Who can't stop wishing,
My heart keeps racing.
Just from the thought of him
Looking my way.
Pretty white flowers, under a rainbow.
I wish someday he'll be holding my hand,
Holding my hand, holding my hand.

(Chorus 2x)

I'm such a girl and I live in my world
With this guy that I imagine will one
Day be mine and I know.
I'm such a girl and I hope he'll come
Around and convey how he feels
And I'm wishing someday that he'll see.
I'm such a girl...
