Why you gotta play it cool like that?  
I saw you there just looking at me  
Mmm hmm  
Yeah I'm talking to you  
You put up a front but I see through you

You must be crazy for thinking like that  
Caught you many times for staring at me  
Uh huh  
Yeah I'm talking to you  
Why you gotta act like I'm a fool?

Round in the circle so many games  
Sooner or later I'll have my way

### CHORUS

Cut to the chase as I show it over and over  
You wanna get closer to me  
And you know it  
So why don't you just make your move  
I got all of my love just waiting for you

All your boys have been telling me  
You went and told them that you wanted me  
Uh huh  
Baby that's a fact  
So tell me what are you gonna do about that?

Even your friends have been telling me  
You went around and asked for me  
Mmm hmm  
Now that I'm right here  
Say what you need  
Baby I'm all ears

So tell me what are you running for?  
Give me a sign and then I'll be yours

Repeat Chorus 2X

Round in the circle so many games  
Sooner or later I'll have my way

Rewind

Repeat Chorus 2X
