[Intro: talking in the background]

[Verse 1: Nelly]

Come on

Woooooooooooo

Shit Lord have mercy

I never felt this way before  
And she's all that I need and more  
Her hips and waist belongs to me  
It often makes me write on my dreams  
If I knew there was only nine  
She's still might be around because

[Chorus]

I (I) can't go on

Oh no

I tell you what am I gonna do now (Hey)

Without her

My life just won't (it won't) be the same

I tell you what am I gonna do now (Hey)

Without

Woooooooooooo

Shit Lord have mercy

[Verse 2: Nelly]

I Never thought that i would be

So caught up i wouldnt see

Just who would go to war for me

And take out two or three so easily

I give up everything to see if I found you (baby girl)

Cause it don't mean shit without you cause

[Chorus w/ talking in the background]

I (I) can't go on

Oh no

I tell you what am I gonna do now (Hey)

Without Her (without)

My life just won't (it won't) be the same

I tell you what am I gonna do now (Hey)  
Without  
Woooooooooooo

Shit Lord have Mercy

[Verse 3: Nelly]

I gave her everything she ever needed  
That why it shocked me when she said she was leavin  
I wanted to find out what was going on cause  
I'm thinkin to myself man something wrong  
Smokin one day it hit me kinda fast  
That I needed to check my stash

{\*talking in the background\*}

cause I

[Chorus]

I (I) can't go on  
Oh no  
I tell you what am I gonna do now (Hey)  
Without her (without her)  
My life just won't (it won't) be the same  
I tell you what am I gonna do now (Hey)  
Without  
cause I  
I (I) can't go on  
Oh no  
I tell you what am I gonna do now (Hey)  
Without her (without her)  
My life just won't (it won't) be the same  
I tell you what am I gonna do now (Hey)  
Without Woooooooooooooooooooo

Lord have mercy
