Please do that thing when you dippin

Keep yo hips poppin, what's up with all these questions
And what planning baby

You talking to me like you talking to an adolescent

I like to - jump off, jump off

Clothes - come off, come off

Her place, freaky beats, and so and so on

Let your waist pop when the bass knock

I flood the watch to the top 'til it's no clock

Can't even tell the time, but you know it's mine

What time is it ma? It's twenty karats after nine

Are you dehydrated? Well let me quench your thirst

First thing first, let's do what we rehearsed

Know dem numbers now, it show be break break it

Get up and take a stance and let me see ya

Baby Show Something

Don't say nothing (Don't you say a word)

Why you ain't moving ma, DJ ain't playing nothing
You tell him to, play this heere until these speakers

Birthdays pick a place, baby we can go
I like yo adllics, she showing no back
She showing up attacks, you wouldn't know
It's like you ghetto ghetto, she bourghetto zhetto
She 5'5 brown eyes, in stiletto, letto (Baby)
Well did you come alone, or you got 2 or 3
That ain't no thang baby girl cause I got 2 with me
And we gon' all kick it, and you about to see
Just what a day would be if you were in the ride with me
Turning on the headlights, and we be
Running all the red lights
Those fool steal my head, and ain't no stopping now
Now come on heere and drop cause he gon' tell why

Baby Show Something

Don't say nothing (Don't you say a word)

[Verse Three]

She still talking loud but I heere her better now
She keep a thong print on in any weather now
No sight of a band but I can hear the horns playing
Da Dat Da Dat Da Dum
She got me hypmotize just like that thicky guy
Cause she been trying to prove her point since we been

So we can get it on, just wait 'til we get home
