I'm left without goodbyes
Lost within your lies
Left without your reasons why
Lost inside my hopeless mind

You were the one
The one that I gave my love
And it was you who just threw it away
My love

You took the love that living in me
With all the dreams I want us to be
And left a lonely heart in misery
Just memories, of your love

You took the life that lives inside of me
With all the hopes I thought could really be
And left a lonely heart in misery
Painful memories, you took all from me

You've broken my heart
