Well, you done done me and you bet I felt it
I tried to be chill but your so hot that I melted
I fell right through the cracks, and I'm tryin to get back
before the cool done run out I'll be givin it my best test
and nothin's gonna stop me but divine intervention
I reckon it's again my turn to win some or learn some

But I won't hesitate no more,
no more, it cannot wait
I'm yours

Well open up your mind and see like me
open up your plans and damn you're free
look into your heart and you'll find love love love
listen to the music at the moment maybe sing with me
I love peaceful melody
It's your godforsaken right to be loved loved loved
loved loved

So, i won't hesitate no more,
no more, it cannot wait i'm sure
there's no need to complicate our time is short
this is our fate
I'm yours

I've been spendin' way too long checkin' my tongue in
the mirror
and bendin' over backwards just to try to see it clearer
My breath fogged up the glass
and so I drew a new face and I laughed
I guess what I'd be sayin' is there ain't no better reason
to rid yourself of vanities and just go with the seasons
it's what we aim to do
our name is our virtue

I won't hesitate no more,
no more it cannot wait
I'm yours

There's no need to complicate our time is short
this cannot wait

I'm yours

There's no need to complicate our time is short
it cannot wait
I'm yours

So, I won't hesitate no more,
no more it cannot wait
I'm yours....
