Phone rings, baby cries
TV diet, guru lies
Good morning honey
Go to work, make up
try to keep the balance up
Between love and money

She used to tie her hair up in ribbons and bows
Sign her letters with X's and O's
Got a picture of her mama in heels and pearls
She's tryin to make it in her daddy's world
She's An American girl
An American girl

Slow dance, second chance
mama needs romance
And a live-in maid

Fix the sink, mow the yard,
Really isn't all that hard
If you get paid

She used to tie her hair up in ribbons and bows
Sign her letters with X's and O's
Got a picture of her mama in heels and pearls
She's tryin to make it in her daddy's world
An American girl
An American girl

Well she's got her God
and she's got good wine
Aretha Franklin and Patsy Cline

She used to tie her hair up in ribbons and bows
Sign her letters with X's and O's
Got a picture of her mama in heels and pearls
She's gonna make it in her daddy's world
An American girl
An American girl
She's an American girl

She used to tie her hair up in ribbons and bows
Sign her letters with X's and O's
Got a picture of her mama in heels and pearls
Shes gonna make it in her daddy's world
Shes an american girl yeah

Well she tied her hair up in ribbons and bows
Sign her letters with X's and O's
X's and Os, X's and O's
