Sometimes you wonder how much I care  
I get so distracted running nowhere  
And I take for granted our love is secure  
But if I started losing you, one thing is sure

I'd be down on my knees  
Ready to pray, darlin'  
Down on my knees  
Making you stay  
I'd be begging you please  
Don't take your love from me  
I'd be down on my knees

I learned to be strong a long time ago  
And I can face any wind no matter how hard it blows  
But I'd have to be stronger than I want to be  
If I had to live without you loving me

I'd be down on my knees

Ready to pray, darlin'  
Down on my knees  
Making you stay  
I'd be begging you please  
Don't take your love from me  
I'd be down on my knees

No one matters more in my life  
Or makes me feel like you make me feel inside  
And I've come far enough to know  
Love's worth never letting go of  
And love is not a matter of pride

I'd be down on my knees  
Ready to pray, darlin'  
Down on my knees  
Making you stay  
I'd be begging you please  
Don't take your love from me  
I'd be down on my knees
