I love Cinderella
'Cause every time that it ends
Somebody gets a fella
Time and again
And the moral of the story is
For everyone there's a love that fits

But it was all
Nothing but a fairytale
Never comin' true
It was all
Nothing but a fairytale
Until I found you

And the one about the rainbow
Every time it's told
Some lucky old so and so
Gets a promised pot of gold
It's some reward for all our time
Something sweet at the end of the line

But it was all
Nothing but a fairytale
Never comin' true
It was all
Nothing but a fairytale
Until I found you

All of the same stories
All of the same words
All of them told to me
In a way I've never heard by you

It was all
Nothing but a fairytale, yeah
Never comin' true
It was all
Nothing but a fairytale
Until I found you

It was all
Nothing but a fairytale, yeah

Until I found you

I love Cinderella
