Heaven, heartache and the power of love

They say up in Heaven the streets are gold  
Once you get past the Pearly Gates  
And the angels are singin'  
At the top of a dove white staircase

And I say heartache can burn you down like hell  
Leave you beggin', "Baby, please don't go"  
'Til you're scrapin' rock bottom  
And cryin' in a deep dark hole

Oh, and love can make you fly like a rocket  
Put you on top of the world

I'm talkin' 'bout  
Heaven is where I hope I'm goin'  
Heartache, that's where I've been  
Heaven, heartache and the power of love

Well, the preacher says when your time is up  
You take a chariot to the Lord  
Well, I'm hopin' my chariot's  
A torch red Thunderbird Ford

And my old flame said  
"I hate to break it to you, darlin'  
I was born the leavin' kind"  
Left me standin' in the dark  
Cryin', "Why baby, why baby, why?"

Oh, but real love's got me back in the saddle  
Shoutin' amen again

That's what I know about  
Heaven is where I hope I'm goin'  
Heartache, that's where I've been  
Heaven, heartache and the power of love

I gotta keep lovin' and livin'  
And learnin' and burnin'  
Movin' on down the road

Heaven is where I hope I'm goin'  
Heartache, that's where I've been  
Heaven, heartache and the power of

Heaven, it's where I hope I'm goin'  
Heartache, that's where I've been  
Heaven, heartache and the power of love  
Heaven, heartache and the power of love

Heaven, where I hope I'm goin'  
Heartache, that's where I've been  
Heaven, heartache

Heaven, that's where I'm goin'  
Heartache, oh, that's where I've been  
Heaven, that's where I hope I'm goin'
