Everything in moderation
That's the way it's always been
Never gettin' out of control
Never hanging it out, always reelin' it in

I saved my money for a rainy day
But now I've had enough of playin' it safe

I wanna go too far, I wanna go too fast
Somebody draw the line so I can blow right past
I wanna spend too much, I wanna stay too late
I'm gonna roar too loud, I'm gonna be that way
I wanna play too hard, I wanna go too far

I'm the one they all depend on
Sensible, predictable and strong
But every now and then
I feel like I've played that role too long

I need to rock the boat, I need to speak my mind
Just this once let it all unwind

I wanna go too far, I wanna go too fast
Somebody draw the line so I can blow right past
I wanna spend too much, I wanna stay too late
I'm gonna roar too loud, I'm gonna be that way
I wanna play too hard, I wanna go too far

I've gotta set this spirit free
That's hiding here inside
I feel like a bird in a cage
Time for me to fly, yeah, yeah

I wanna spend too much, I wanna stay too late
I'm gonna roar too loud, I'm gonna be that way
I wanna play too hard, I wanna go too far
I wanna go too far, yeah, yeah, I wanna go too far
