Woke up this mornin', just another day  
Got myself out of bed, in the usual way  
Threw back the curtains and the sun was shinin'  
Well it seems these days, I got such good timin'  
Since I let you go, oh what do you know

Guess I fooled everybody  
Said I'd love you till the day that I die  
Even if you didn't love me  
Sorry baby, I guess I lied  
You're gone and I'm still alive  
Oh, oh, yea, yea

I'm the kind of girl that never fails  
To hang on to the past by my fingernails  
And I can't help it even I'm amazed  
At how much better they look, painted in pink sorbet  
It took me so long, to sing this song

Guess I fooled everybody  
Said I'd love you till the day that I die  
Even if you didn't love me  
Sorry baby, I guess I lied  
You're gone and I'm still alive  
Oh, oh, yea, yea

I said goodbye  
(I said goodbye)  
And I survived  
(And I survived)  
I'm still alive  
Since I let you go  
Huh, well what do you know

Guess I fooled everybody  
Said I'd love you till the day that I die  
Even if you didn't love me  
Sorry baby, I guess I lied  
You're gone and I'm still alive  
Oh, oh, yea, yea

I'm still alive

Oh, oh, yea, yea  
Oh, well what do you know  
Ooh, ooh  
Ooh, ooh
