Not quite sure  
What's going on  
But all day through  
And all night long  
I've been thinkin' about you  
I've been thinkin' about you

The look in your eyes  
When you smile that way  
The sound of your voice  
Sayin' my name  
I've been thinkin' about you  
Just keep thinkin' about you

This single-minded fascination I've got  
Do you call it love?  
If you don't then what?  
All I know is I don't know what you've done  
This train of thought ain't about to jump  
The track that it's on

In the back of my mind  
There's a secret place  
But the whole world knows  
By the smile on my face  
That I've been thnkin' about you  
Can't stop thinkin' about you

This single-minded fascination I've got  
Do you call it love?  
If you don't then what?  
All I know is I don't know what you've done  
This train of thought ain't about to%2
