I hear a lonesome dove off in the distance  
His cry echoes out through the hills  
He's sad that his lover flew off with another  
And I know the sorrow he feels

Lonesome dove we're not that different  
You sing a sad song but you're not alone  
You've been forever forsaken by the one that you love  
I know how you feel, lonesome dove  
I know how you feel, lonesome dove

I've tried to run from the pain of his memory  
But I can't find a place I can hide  
And that old lonesome dove is gonna mourn for his  
love  
No matter how far he flies

Lonesome dove we're not that different  
You sing a sad song but you're not alone  
You've been forever forsaken by the one that you love  
I know how you feel, lonesome dove

Lonesome dove we're not that different  
You sing a sad song but you're not alone  
You've been forever forsaken by the one that you love  
I know how you feel, lonesome dove  
I know how you feel, lonesome dove
