Everybody's heart aches
Every time it opens
You don't know if you'll win or lose
You have to just let go

No I wasn't looking
It's funny how I found you
Just when I thought
I'd live my life alone

Maybe it's love
That I have longed for
Maybe it's love
I should be strong for
I'm tearing down the walls inside
I want to laugh, and cry and kiss
Maybe it's love
I miss

I've close my heart down
So many seasons
I didn't want to hurt again
I didn't want to try

So I turned myself to ice and stone
Said I don't need anyone
And nobody else

Would ever make me cry

Maybe it's love
I've run away from
Maybe it's love
Bringing me back home
I'm tearing down the walls inside
I want to laugh, and cry and kiss
Maybe it's love I miss

So put your arms around me now
Hold me tight
Show me how
No one has ever loved me more

I've waited for so long

Maybe it's love

Maybe I'm dreaming

Maybe it's love

I can believe in

I'm tearing down the walls inside

I want to laugh, and cry and kiss

Maybe it's love

Maybe it's love

Maybe it's love
