I'm catchin' this south bound train
I've had enough of the pouring rain
Chilled to the bone, I have to go

Love was never a friend of mine
The only friend that I have is time
It's down the track, ain't lookin' back

Mexico, O Mexico
I long to see your border town
Mexico, O Mexico
Adios mi corazon

The cars are clickin' the night along
But all I hear is a heartbreak song
Haunting me, relentlessly

Come the mornin' and I will stand
On the banks of the Rio Grande
A brand new day, wash these tears away

Mexico, O Mexico
I long to see your border town
Mexico, O Mexico
Adios mi corazon

There's nothin' like the feel
Of the steel against the steel
And you can't forget the crying of the rail

There's nothin' like the sight
Of a moonlit desert night
To heal a broken heart that was so frail

Mexico, O Mexico
I long to see your border town
Mexico, O Mexico
Adios mi corazon, O Mexico
