Every day here you come walkin'  
I hold my tongue, I don't do much talkin'  
You say you're happy and you're doin' fine  
Well go on baby, I got plenty of time, 'cause  
Sad eyes never lie  
Sad eyes never lie

For a while I've been watching you steady  
Ain't gonna move 'till you're good and ready  
You show up and then you shy away  
But I know pretty soon you'll be  
walkin' this way, 'cause  
Sad eyes never lie  
Sad eyes never lie

Baby, don't you know, I don't care  
Don't you know that I've been there

Well if somethin' in the air feels a little unkind  
Don't worry darlin', it'll slip your mind

I know you think you'd never be mine  
Well that's okay baby, I don't mind  
That shy smile's sweet, that's a fact  
Go ahead I don't mind the act

Here you come all dressed up for a date  
Well, one more step and it'll be too late  
Blue, blue ribbon in my hair  
You're so sure I'll be standing there  
I guess sad eyes never lie  
Sad eyes never lie  
I guess sad eyes never lie  
Sad eyes never lie
