I'm not quite sure what's going on
But all day through and all night long
I've been thinkin' about you
I've been thinkin' about you
The look in your eyes
When you smile that way
The sound of your voice
Saying my name
I've been thinking about you
Just keep thinking about you

This single minded fascination I've got
Do you call it love
If you don't then what
All I know is I don't know what you've done
And this train of though ain't about to jump
The track that's in on

In the back of my mind
There's a secret place
But the whold world knows by the smile on my face
I've been thinkin' about you
Can't stop thinkin' about you

This single minded fascination I've got
Do you call it love
If you don't then what
All I know is I don't know what you've done
And this train of though ain't about to jump
The track that's in on

I know it's crazy
Calling you this late
When the only thing I wanted to say
Is I've been thinkin' about you
Just keep thinkin' about you
I can't stop thinkin' about you
I'm always thinkin' about you
And I do love thinkin' about you
