Sleigh bells ring are you listening
In the lane snow is glistening
A beautiful sight we see
A happy tone to see
Walking in a winter wonderland

Gone away is the bluebird
Here to stay is a new bird
He sings a love song as we go along
Walking in a winter wonderland

In the meadow we can build a snowman
Then pretend that he is Parson Brown
He says to me: Are you married?
We say: No man!
But you can do the job
When you see him in town

Later on we see him
As he conspires with the elf
To face unafraid
The plans that we have made
Walking in a winter wonderland
In the meadow we can build a snowman
And pretend that he is a circus clown
We have lots of fun with mister
snowman
Until the all the kids knock him down

When it snows ain't it thrilling
Though your nose gets a chilling
We frolic and play the Eskimo way
Walking in a winter wonderland

Walking in a winter wonderland
Walking in a winter wonderland
