Baby, I'm just heart and soul  
And flesh and bone  
I sigh when you kiss me  
Cry when you leave me alone

You tell me I'm special  
But this time tell me the truth  
The way you love me  
Wouldn't any woman do

I tried everything with you  
Even livin' on faith  
(Wouldn't any woman)  
When everybody else knew  
It was already too late  
(Wouldn't any woman)

I've loved you to the limits  
Of my self respect  
Now, I'm leavin' with what's left  
Wouldn't any woman

If I had one wish  
I'd only wish you well  
Wouldn't tell one story  
If I had one story to tell

Baby, please stay sounds sweet  
But way down deep you know  
I'm not goin' anywhere  
Wouldn't any woman go

I tried everything with you  
Even livin' on faith  
(Wouldn't any woman)  
When everybody else knew  
It was already too late  
(Wouldn't any woman)

I've loved you to the limits  
Of my self respect  
Now, I'm leavin' with what's left

Wouldn't any woman

I tried everything with you  
Even livin' on faith  
(Wouldn't any woman)  
When everybody else knew  
It was already too late  
(Wouldn't any woman)

I've loved you to the limits  
Of my self respect  
Now, I'm leavin' with what's left  
Wouldn't any woman

Wouldn't any woman  
(Wouldn't any woman)  
Yeah, wouldn't any woman  
(Wouldn't any woman)
