I'm sinking down in the darkest sleep
So deep so cold, this pain inside of me
My love for you is more than I can bear, ooh

You'll never understand this distant shore
My love destroys while longing for more
I'll never be to you what you are to me

So I will run
(You can run if you need to)
I will hide
(Honey, hide)
And then I'll keep this love for you lost inside
(Never gonna keep this inside)
You'll be forever always in my dreams
And I can't say a word, say a word, can't breathe
My love screams
My love screams

You feel my soul, you're touching me
I thought this love could set us free
The earth and the sky and a million lights above

So I will run
(You can run if you need to)
I will hide
(Honey, hide)
And then I'll keep this love for you lost inside
(Never gonna keep this inside)
You'll be forever always in my dreams
And I can't say a word, say a word, can't breathe
My love screams, yeah yeah

So I will run
(You can run if you need to)
I will hide
(Honey, hide)
And then I'll keep this love for you lost inside
(Never gonna keep this inside)
You'll be forever always in my dreams
And I can't say a word, say a word, can't breathe

So I will run
(You can run if you need to)
I will hide
(Honey hide)
And then I'll keep this love for you lost inside
(Never gonna keep this inside)
You'll be forever, always in my dreams
And I can't say a word, say a word, can't breathe
My loves screams
My loves screams
Yeah yeah yeah yeah
Yeah ooh
