Tell me you love me
That I don't know how much you mean it
Every time you look in my eyes
You make sure that I can see it

I can't recall if I ever felt this way before
And if I did, wouldn't want those feelings
Hanging around here anymore

Just so you know, you got me
Nothing in the whole wide world could ever stop me
If you got love
(Love)
Got love to give
(Love to give)

Oh, just keep giving it up
And someone will let you in
And just, so you know, you got me

Now everyday you write it down
Just so I can read it
The best thing that ever happened to you
You know I wanna be it

I can't recall if I ever had a love I truly missed
And if I did, it wasn't no love compared to this

Just so you know, you got me
Nothing in the whole wide world could ever stop me
'Cause if you got love
(Love)
Got love to give
(Love to give)

Oh, just keep giving it up
And someone will let you in
And just, so you know

You got me waiting
Learning my patience
Won't you hurry up and rescue me

There's so much talking, it's all I wanted

Just so you know, you got me
Nothing in the whole wide world could ever stop me
'Cause if you got love
(Love)
Got love to give

Oh, just keep giving it up
And someone will let you in
And just so you know, you got me
And nothing in the whole wide world could ever stop
me
'Cause if you got love
You got love to give

Oh, just keep giving it up
And giving it up and giving it up
If you got love
Oh, you know, you got me
