Ive been looking at you for days,  
Got me all wet wit' your candy rain,  
Bumpin' in the ride, from the left to right,  
Bouncin' on the freeway doin' 95.  
Hey, yo where u goin' tonite?  
Can this girl get some lovin',  
Burnin' up inside.  
I don't even mind if your a shakin' a guy,  
'coz we can do it in the toca,  
We can turn off the lights.  
I say,

If you want to baby,  
Ill come and get you honey,  
Boy you drive me crazy  
Yeah, Yeah

Call me when your ready,  
Ill be there in a hurry,  
Theres no need to worry,  
Ill give you what u need,  
Only if you want it

Oh, oh,  
what you doin' later on?  
Oh, oh,  
can i call you on the phone? (phone)

Damn i tried that before,  
What i got to do?  
You got me feelin' for more  
I need, a light,  
Dont wanna waste my time with you,  
See you better let it out,  
What you gonna do?  
Theres alot of other fellas,  
Wanna be in your shoes,  
So you better work it out,  
I got a flight at two

If you want to baby,

Ill come and get you honey,  
Boy you drive me crazy  
Yeah, Yeah

Call me when your ready,  
Ill be there in a hurry,  
Theres no need to worry,  
Ill give you what u need,  
Only if you want it

I think i had enough of playin' your games,  
You've been givin' me the eye since a quarter to nine,  
Hey, i aint tryin' to party here all night,  
So, get your coat, and lets the road, (woah)  
Once i get you,  
You can never let go,  
I got you all up in my lock,  
And under control  
I never had a lover who would beg for more,  
I had you screamin' out,  
'Please dont go!'

If you want to baby,  
Boy you drive me crazy (Oh yeah)  
Yeah, Yeah

Call me when your ready,  
Theres no need to worry,  
Ill give you what you need,  
Only if you want it

Oh, oh,  
What you doin' later on?  
Oh, oh,  
Can i call you on the phone?  
Oh, oh,  
What you doin' later on?  
Oh, oh,  
Can i call you on the phone? (ooh, yea)

If you want to baby,  
Ill come and get you honey,  
Boy you drive me crazy  
Yeah, Yeah

Call me when your ready,  
Ill be there in a hurry,  
Theres no need 2 worry,  
Ill give you wat u need,  
only if you want it

If you want to baby,  
Ill come and get you honey,  
Boy you drive me crazy  
Yeah, Yeah

Call me when your ready,  
Ill be there in a hurry,  
Theres no need 2 worry,  
Ill give you wat u need,  
Only if you want it
